## A goat + 2 chickens

With a pair of chickens and a goat, you'll provide a steady supply of eggs, milk, and meat to feed children and help families. We've paired these most popular animals so you can give 2 or more struggling families a gift they'll never forget. **It's the best \$100 you'll ever spend.**

## Sheep give plenty of milk, cheese, and wool for children

People love to give sheep. One healthy ewe gives highly nutritious milk for essential protein, vitamins, and minerals, plus plenty of wool to knit warm sweaters and blankets. It's the perfect gift to celebrate the birth of Jesus—the Lamb of God.

## “Thanks to God and kindhearted people [for my chickens].”

— Victoria Marin, a grandmother in El Salvador

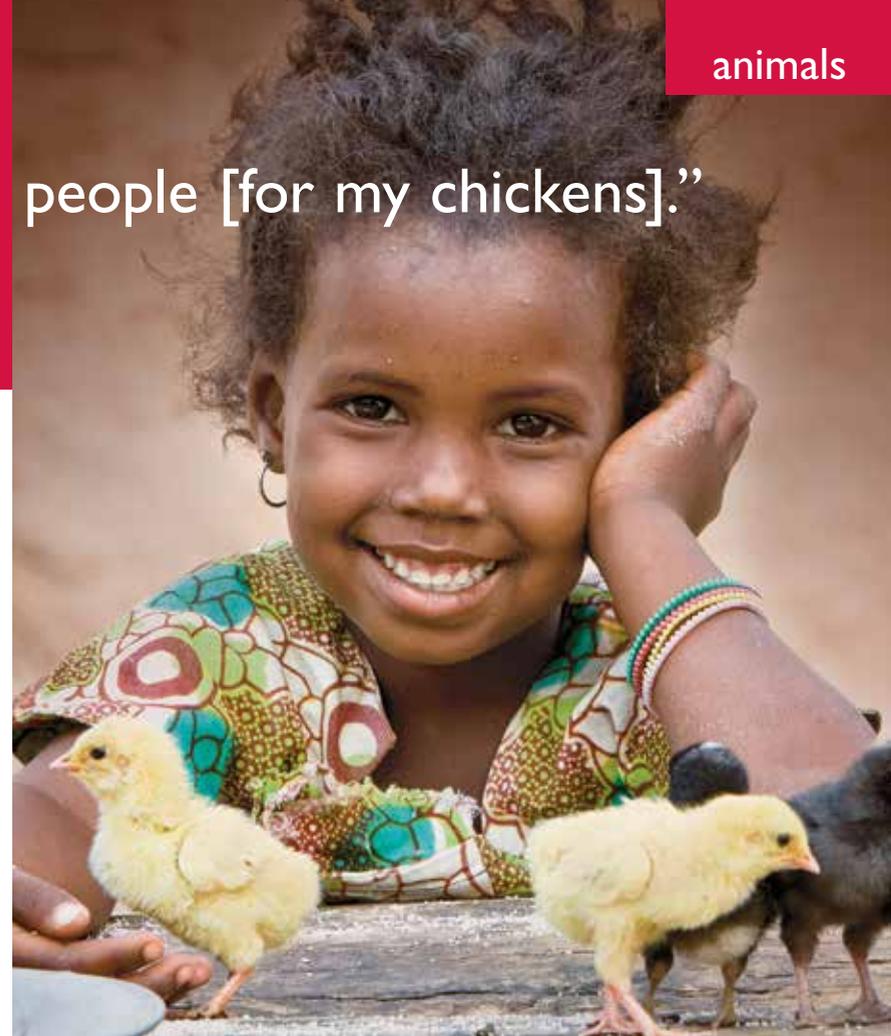

With her new chickens, Victoria is blessed to be earning money to take care of her grandson.

## Chickens and eggs

Sometimes miracles come with feathers.

Chickens are a beautiful gift of nutritious food for a hungry family. Fresh eggs mean protein and other essential nutrients, and the sale of extra eggs provides money for clothes, medicine, and other needs. Chickens are easy to breed—so your gift can grow and multiply to share with neighbors and ultimately make a better life for the whole village.

## The dairy trio: A cow, a goat, and a sheep

You'll bless 3 needy families with these “big 3” milk producers. Children's health will improve with increased protein and calcium in their diets. And their families will be able to sell the animals' offspring at market, along with surplus dairy products like milk, cheese, and yogurt. It's a win, win, win!

## Give a Goat

Save a child's life with milk, cheese, and much more

Dairy goat milk provides great protein to help children grow. The family can sell surplus milk, cheese, and yogurt at the market to earn money for medicines and other necessities. Plus, fertilizer from goats can increase the amount of vegetables grown in a family garden. It's hard to think of a better gift than a goat...unless it's 2 goats!

“With her milk, our lives have been changed.”

— Irangani, a mother in Sri Lanka

**A dairy cow**  
can give a family 5,000 gallons of milk

“When a family like us receives a cow...we are suddenly overjoyed and our sorrows disappear,” says a mother named Irangani. And with good reason. One cow gives up to 5,000 gallons—or 350,000 glasses—of milk in its lifetime. That’s enough to provide plenty of protein and calcium for children. And surplus milk can be sold for extra income.

## 28 farm animals

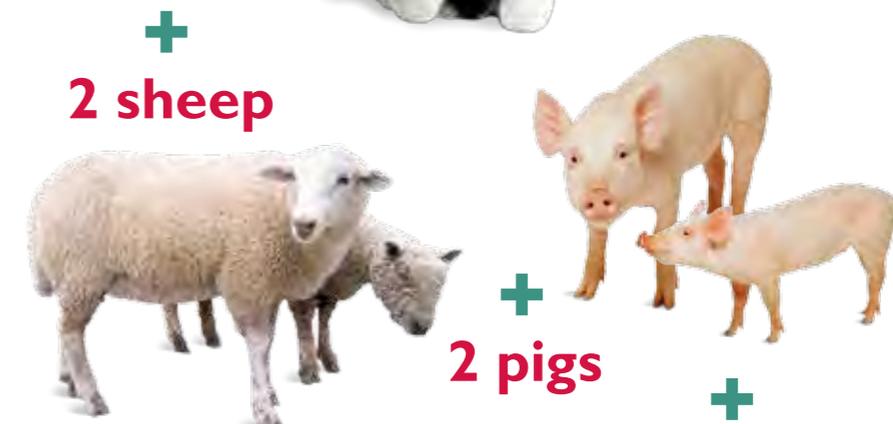

can save 10 families from hunger

With this truly life-changing gift, you’ll provide ample protein and vital nutrition—including milk, eggs, meat, and more—for years to come. As the animals multiply, families can sell surplus food for extra income. A bountiful and enduring blessing!

**The World Vision Difference**

**How your gifts of animals do more good than you can even imagine**

When you give any animal through World Vision, a family will get much more than just the animal. Here’s how:

**Animals are distributed to families and community groups,** along with things like feed and vaccines.

**When livestock produce offspring, they give a family the power to pass on their blessings** and help transform their entire community.

**Families are trained in animal care and agriculture,** so their children have healthy, balanced diets.

**Soon, families have extra animals, eggs, or dairy products to sell,** so they have money for school, healthcare, and clothing.

**An alpaca**  
transforms a family’s income

In the Andes highlands, an alpaca’s cashmere-like wool can support an entire family. One animal produces **12 pounds of strong, warm, lightweight wool every year** for 25 years. The wool fetches a good price, helping the family buy food, clothing, and other essentials.

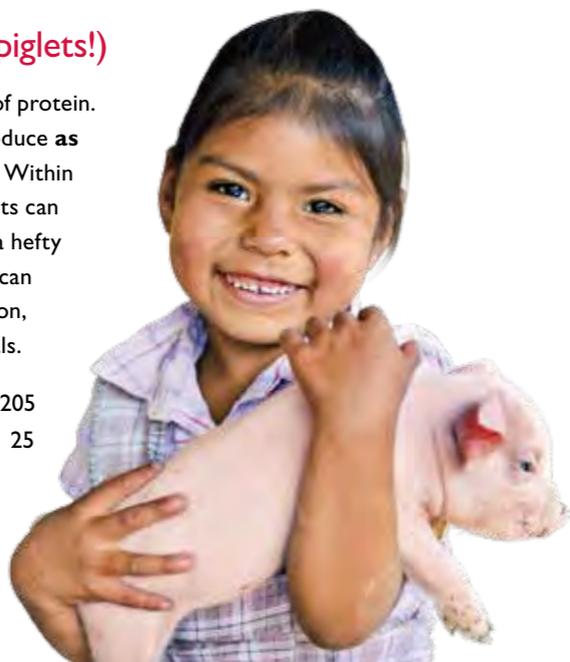

<b>Alpaca</b>	0635	\$360
<b>Share of an alpaca</b>	0667	\$ 25

## One pig

(and up to 20 little piglets!)

Pigs are a wonderful source of protein. And one healthy sow can produce as many as 20 piglets a year. Within 6 months, each of those piglets can weigh 200 pounds and fetch a hefty price at market. The income can be used for children’s education, medicines, and other essentials.

## Nativity Animals

give families reason to celebrate year-round

The shepherds found baby Jesus lying in a manger, surrounded by God's animals. What better way to celebrate the birth of Christ than to share those same animals so that families can prosper! Donkeys help till fields, sheep produce warm wool, goats give protein and milk, and chickens provide an abundance of nutritious eggs.

## Water Buffalos

produce healthier milk

Water buffalos work hard and thrive in harsh climates, and their milk has more protein and calcium than cow's milk. The calf is essential, causing the water buffalo to produce surplus milk when nursing. Plus a calf creates more opportunity for a family to build a secure future.

<b>Water buffalo and a calf</b>	1957	\$1,100
<b>Share of a water buffalo and a calf</b>	1959	\$ 100

When you give an animal, a portion of the gift may also help provide watering sources, farming assistance, famine relief, and other related essentials as needed.

## Ducks bring hundreds of eggs and extra income

At just \$35 for 5 ducks, this is **one of the best values you'll find anywhere**. These ducks will produce hundreds of nutritious, protein-rich eggs to feed a family year-round. And both eggs and ducklings can be sold for extra income. 10 ducks will multiply even faster.

### The World Vision Difference

How ducks are keeping families afloat

Thousands of families in countries like Bangladesh lost their food and livelihood when torrential rains killed their chickens. That's why World Vision is helping them switch to duck farming. After all, a flood that could be deadly for a chicken is just an adventure for a duck.

5 ducks just \$35

## 5 ducks + 2 chickens

Just \$60 can feed families year-round!

Eggs may be **God's perfect food**—packed with protein and vital nutrients. You'll give 2 or more families the wings to soar above hunger and poverty with animals that will keep multiplying to fill their egg baskets again and again.

Gifts to inspire women

## A bicycle can protect a girl and help her get an education

In many countries, girls drop out of school because they're afraid of being assaulted or kidnapped on the long walk to and from school. Your gift of a bicycle will provide safe, speedy transportation, enabling a young woman to get an education that can open the door to a whole new future.

# "She lied to me that I was going to a house to babysit. Instead, she sold me to a brothel."

— Phhoung\* at age 13, Cambodia

Girls like Phhoung are held captive in a brothel and often forced to serve 8 to 12 "clients" every day. We praise God for the opportunity to care for those who are rescued.

## Help sexually exploited girls

Millions of children—most of them girls—are enslaved in the global sex trade today. Many, like Phhoung, are forced to serve several "clients" every day. They're often drugged and beaten if they don't obey. Your gift will help prevent abuse, and restore physical and spiritual health to rescued girls by providing things like safe shelter, medical care, nutritious food, vocational training, compassionate counseling, and when possible, reintegration with a loving family.

### One girl's story

Orphaned and alone at age 12, Chanty\* was thrilled when a foreign man asked her to go for a boat ride to an island. "It never entered my mind that he would do anything bad to me," she said. "He forced me, and he hit me." Terrified and ashamed, she was grateful when a woman offered her a job in a restaurant.

But it was a trap. She had been sold into prostitution. "They told me they [would] kill me if I tried to leave."

### The World Vision Difference

Amazingly, Chanty did escape, and the police brought her to the World Vision Trauma Recovery Center, where she learned life skills, got counseling and loving support.

#### UPDATE:

Now 21, Chanty works at an upscale bakery. At church, she met her kind and supportive husband, and together they recently welcomed their first child.

## A safe home for a struggling, single mom and her kids

In countries like Rwanda, Uganda, and Burundi, single mothers struggle to protect their children. Imagine the desperation of trying to care for your kids in a run-down, leaky hut. ## No coat for a child in one of Asia's coldest places

When she was 6 years old, Soyolmaa's home burned down, and she had to move into a cold, run-down former military barracks. In Mongolia where she lives, the temperature can drop to minus 50 degrees Fahrenheit. Without a coat of her own, Soyolmaa became imprisoned by the ice and wind outside. And, although her father works hard to provide for their family of seven, he barely makes enough for food. There are no coats for the children.

## The World Vision Difference

Soyolmaa remembers trying to play in the snow with no winter coat. Soon she was in real danger. "I froze. I tried to run to keep warm." She quickly ran back into the abandoned barracks she calls home.

Frostbite and hypothermia not only pose the threat of permanent damage or even death, they also mean children like Soyolmaa are forced to drop out of school, giving up on their dreams of a better life.

### Clean Water Fund

#### Cut a community's child death rate in half

Every day more than 4,000 children die of waterborne and sanitation-related diseases. Your gift to World Vision's Clean Water Fund will help save children from parasites, worms, and dysentery. They'll be able to attend school instead of walking long distances to fetch water.

### The World Vision Difference

#### Contaminated water infects and kills children

Around the world, about one in six people has no access to safe water. According to UNICEF, over 1,800 childhood deaths a day are connected to dirty water and lack of sanitation. Through World Vision, you have a variety of ways to stop children's suffering by fighting these waterborne diseases.

**CHOLERA** is a severe bacterial infection that causes children to have extreme diarrhea and vomiting. Transmitted through contaminated drinking water, it can lead to death.

**GIARDIA** is a highly contagious parasite that causes severe diarrhea and dehydration, and can kill babies and toddlers.

**TYPHOID** attacks a child with heavy sweating, diarrhea, and sustained high fever that can lead to delirium and cause death.

#### A foot-powered water pump creates "miracle" harvests

This ingenious yet simple water pump is a miracle for farmers who once had to irrigate their crops by carrying buckets back and forth. You'll provide an efficient supply of water so families can grow more food year-round.

## 10 fruit trees

will put sweet smiles  
on kids' faces

Oranges. Mangoes. Bananas. Papayas. Apples. Kids love fruit. And with essential nutrients like vitamin C and antioxidants, it protects them from deadly diseases. Give fruit trees like these and you'll feed children, provide income, and help yield seedlings so more families can grow their own fruit.

## Tools and training

for subsistence farmers

In the developing world, your gift provides farming families with things like **hoes, harvesting equipment, fertilizer, and irrigation kits, plus training in improved farming methods.** You'll also provide fast-growing, drought-resistant vegetable and grain seeds.

<b>Tools, training, &amp; seeds</b>	1537	\$52
-------------------------------------	------	------

## Honeybees

Sweet success for hungry families

Honeybees give nutritious honey as well as beeswax for making things like candles, which are great sources of income. They also help pollinate and grow healthier crops. Make the gift complete by adding supplies like a veil, gloves, a smoker, and training.

## Emergency food

for children in Africa

Every 10 seconds, a child dies from a hunger-related cause. But now you can make a big difference. Your gift, combined with grant funds, **multiplies 5 times in impact** to save lives with emergency food and interventions for malnourished children.

<b>\$1,000 worth of emergency food</b>	1731	\$200

### The World Vision Difference

#### Breakthrough solutions

Naturally super-nutritious sweet potatoes, fast-acting, high-calorie peanut therapy, and other nutrient-rich innovations are helping World Vision save children's lives like never before.

## Fast-growing seeds

for bigger harvests

These naturally improved, faster-growing, and **drought-resistant** seeds enable a struggling family to grow plenty of nutritious food like:

- cabbage
- green beans
- rice
- carrots
- maize
- and more
- cassava
- peas

## Give an orphan the gift of education

Answer a child's prayer

Impoverished children who've lost one or both parents to AIDS are often unable to attend school—simply because they can't afford the uniform. You can give a child the priceless gift of education by providing:

- books
- pencils
- paper
- an essential school uniform

<b>Education for 2 orphans</b>	1539	\$140
<b>Education for 1 orphan</b>	0139	\$ 70

### The World Vision Difference

“He’s not in good condition.”  
— Philimina

Cedric was only 8 months old when his mother left the house to go to the market. She didn't return. Cedric's aunt Philimina, a widow with little money and five children of her own, took the infant in. But without his mother's milk, Cedric suffered from chronic malnutrition. As a result, his growth has been permanently stunted.

This is the kind of orphan you can give a second chance. Your gift helps provide nutritious food, healthcare, education, and more to help orphans survive, grow, and reach a better future.

You'll change lives today. Help an orphaned child grow up to live the life God intended for them.

## “She never came back.”

— Philimina in Burundi, now caring for her sister's child, Cedric (at right).

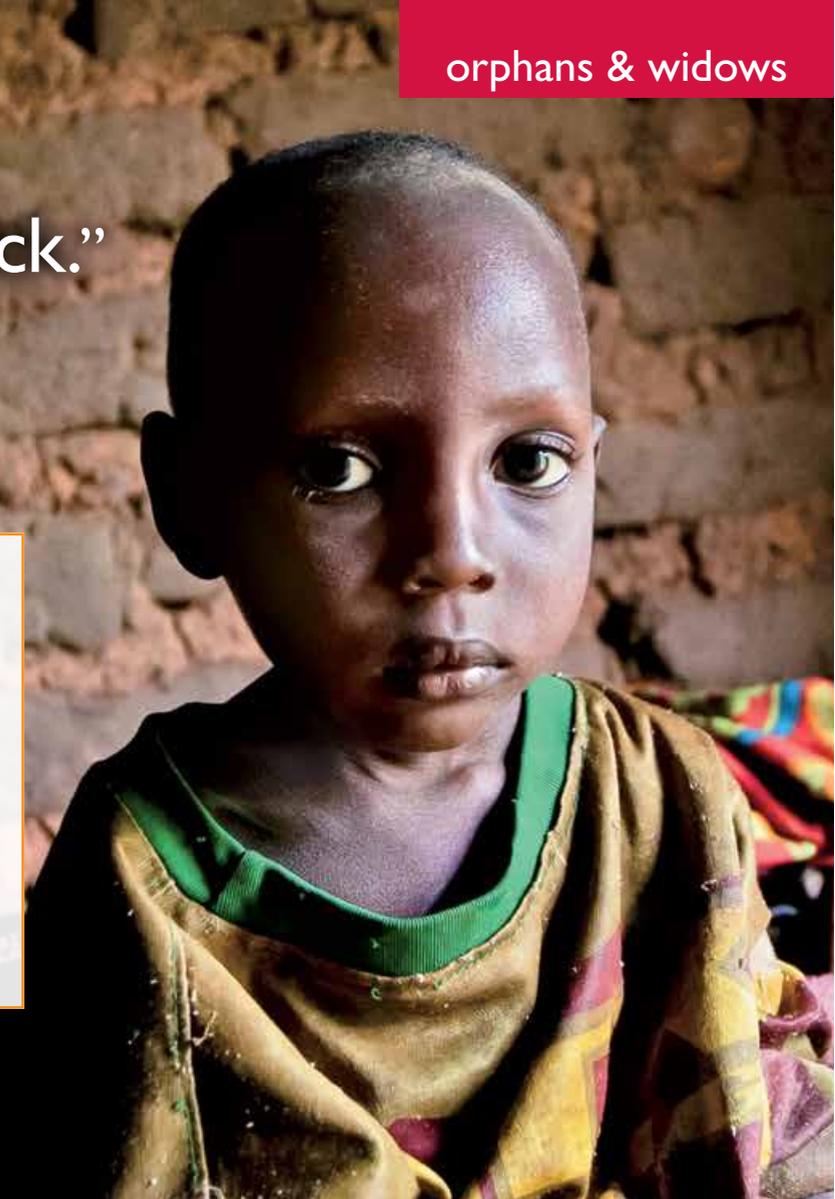

### Orphans and Widows Fund

#### Let them know they are not alone

Reach out to orphans and other children whose lives have been devastated by the AIDS epidemic—along with the elderly grandmothers who often bear the burden of care. Your gift will help meet urgent needs such as food, shelter, preventative education, counseling, care for the sick, and job training. This is a wonderful way to give tangible help and hope to hurting children.

## Loving care for orphans

Perhaps one of the most compelling ways that you can truly build a better world for children is to help our staff protect and care for orphans. You'll provide things like nutritious food, clothing, counseling, and spiritual guidance.

<b>Care for 2 orphans</b>	1541	\$50
<b>Care for 1 orphan</b>	0133	\$25

## Carrying hope

Give an orphan the tools to succeed

In parts of the world, AIDS and extreme poverty have left countless children alone without hope. You can lift up a suffering child to realize their promise in life with a special backpack full of basic school supplies, hygiene items, and a warm blanket.

**Promise Pack**

Tesfaye's parents died when he was four. He and his sister went to live with their grandmother. Already struggling to survive, she had to start begging on the streets to help them. Then something wonderful happened. Someone cared enough to sponsor him through World Vision. Tesfaye and his family received nutritious food, medical care, and more. His grandmother is no longer forced to beg, and Tesfaye, now a cheerful young man, wants to be a doctor someday.

## A wedding registry that helps children

A young couple's wedding gift for the future of others

Last fall, Kate and Austin were planning their wedding. "As we discussed a wedding registry, we quickly realized that we had everything we need." So they registered at MyGiftCatalog.org rather than traditional stores, allowing guests to make a difference in the lives of hurting children.

## It's fun to bring people together to help children

Your friends and family will love giving through your personal MyGiftCatalog.org. It's the place to:

- Create your own fundraising Gift Catalog page
- Invite everyone to help reach your goal to save children
- Order your FREE My Gift Catalog Toolkit with goat buttons and more

Go to [MyGiftCatalog.org](http://MyGiftCatalog.org)

Or check the box on the order form.

## Nutritious food

for American children who go to sleep hungry

Here in the U.S., 1 in 5 children lives in poverty. Help restore hope to American families who have been struck by disaster, homelessness, or job loss. Send Family Food Kits including nutritious meals like oatmeal, potato soup, pasta, and a bean and rice casserole.

## Build a school

Countless children in communities around the world study in crumbling buildings, makeshift shacks, or outdoors. Your gift to construct a new school and/or renovate an existing school will provide children with a safe place to learn.

Build a school	0269	\$22,000
Share of a school	0271	\$ 220

World Vision pools donations to provide and renovate schools in as many communities as possible. Schools are not matched to individual donors. As progress updates come in, a report will be available describing how gifts are helping to provide better access to education in impoverished communities.

## “I’ll be better than I am today.”

— Tired, an 11 year-old boy from Zambia

Without textbooks, school was quite a struggle for a boy named Tired (center) and his Grade 6 classmates. But thanks to friends like you, beautiful new textbooks changed their lives. “I learn a lot from them,” says Tired proudly, “and when you come back one day, you will see what I mean.”

## Stock a school

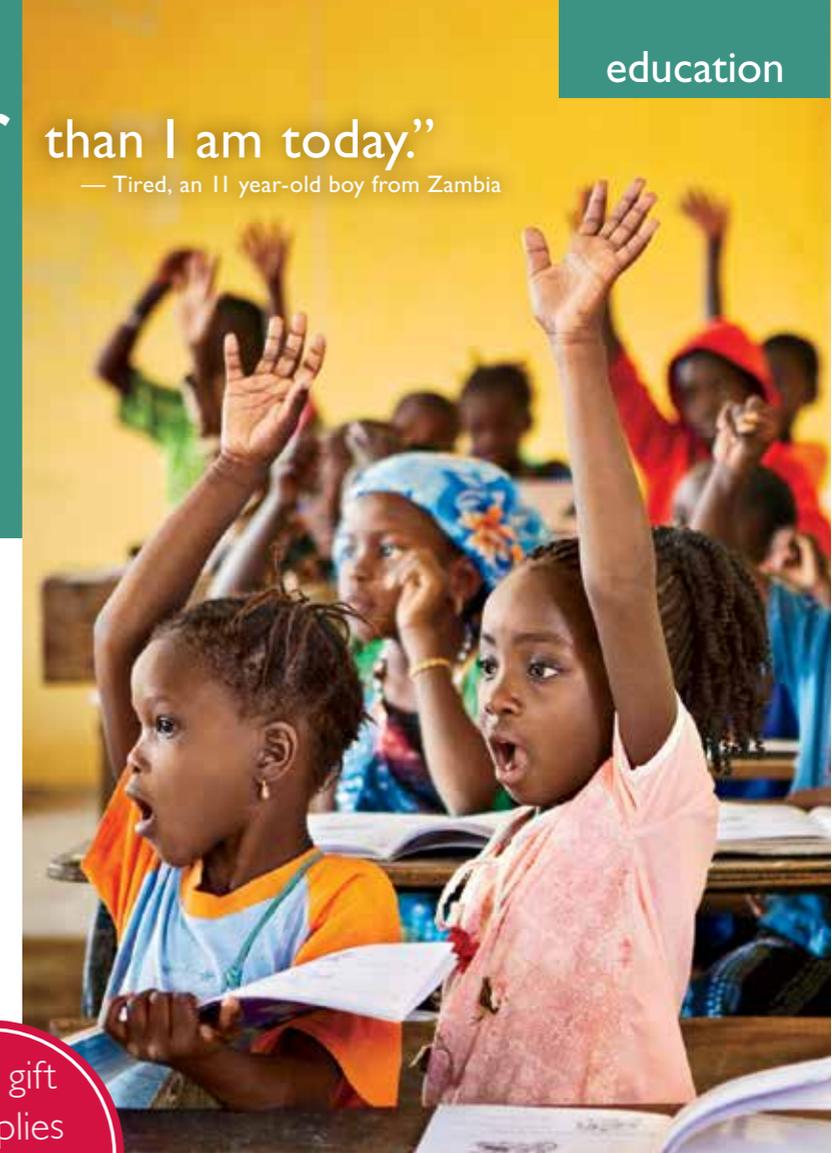

Give kids books and tools to learn

Thanks to corporate product donations, **your gift will multiply 10 times** to equip a school with things like teaching materials, textbooks, toys, sports equipment, desks, and more. You’ll help boys and girls fulfill their potential and even lift themselves out of poverty.

## Super Nets

Protect children from malaria

The world's deadliest creature, the mosquito, kills nearly 655,000 people every year. Poor African families watch helplessly as their children suffer and die. Your gift provides super-strong bed nets coated in insecticide to protect children from malaria—as well as critical education for prevention and control.

## Give the gift of independence to a disabled child or adult

In developing countries, millions of children are disabled and cannot walk. Polio, birth defects, land mines, injuries, and lack of proper medical care have denied them access to the classroom and the education that could deliver them out of poverty. Thanks to our partnership with Free Wheelchair Mission, you can empower a child with a custom-fit wheelchair and the hope for a better tomorrow. Your gift also helps provide prosthetics and rehabilitation for children.

Ship and deliver a wheelchair	1859	\$50
Help for children with disabilities	1077	\$25

## Vaccinate infants and children against killer diseases

It's a needless tragedy. Millions of children die each year from easily preventable diseases. Your gift can save children's lives by providing 15 vaccines to protect them from measles, whooping cough, diphtheria, hepatitis, polio, and tetanus.

15 Vaccinations	0245	\$41
