CREATE YOUR OWN LEGENDARY VOLTRON MASK

STEP

1

Cut out all template pieces and arrange them on cardboard sheets. Trace around the edges of the templates onto the cardboard. Cut out each mask piece and set aside.

STEP

2

Arrange template pieces on cardstock sheets. Trace around the edges of the templates onto the cardstock. Cut out each mask piece and set aside.

STEP

3

Apply glue to the back of each cardstock piece, and stick to the front of each matching cardboard piece. Match **A** to **A**, **B** to **B**, etc.

STEP

4

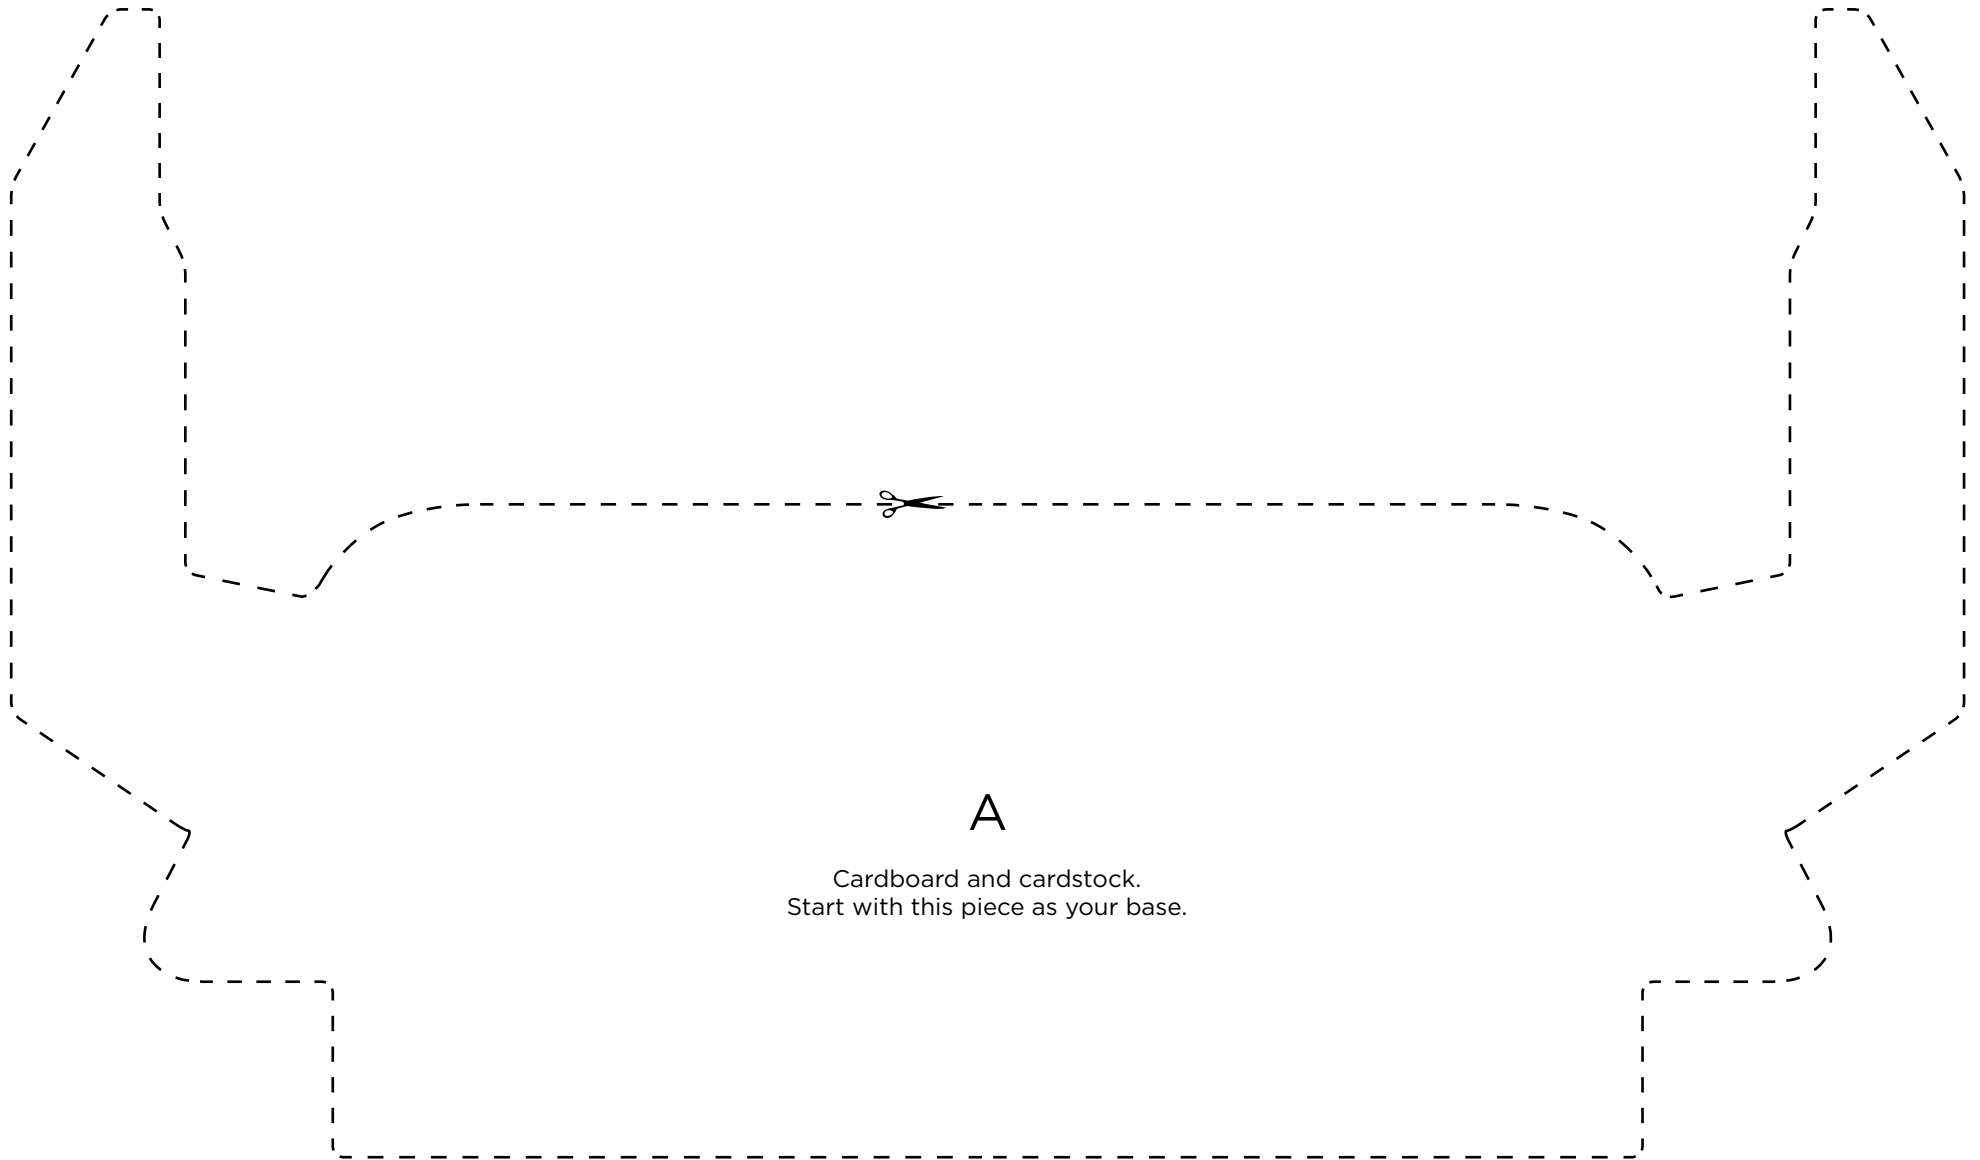

Place double stick tape on the back of **Pieces B through F**. Starting with **Piece A** as your base, position **Piece B** on top of **A**, then **C** on top of **B**, and so on.

STEP

5

Staple an elastic band to the sides of the mask to wear it hands-free, or glue a wooden craft stick to the back center for a hand-held version.
